**Room/Board and Personal:** National averages are used and are based on a consistent inflation module calculated using the Bureau of Labor Statistics' Consumer Price Index Inflation Calculator ([www.bls.gov/data/inflation\\_calculator.htm](http://www.bls.gov/data/inflation_calculator.htm)). Each new award year, the previous year's costs are entered into the calculator to determine the new cost based on the rise of inflation. For dates, use Nov-Oct (ie for the 19-20 year, use Nov'17-Oct'18).

**Transportation:** Standard monthly transportation cost used for all students. Based on survey completed by Rasmussen 10/2017. Uses miles traveled per month times cost per mile published by the IRS.

**Tuition:** Based on actual for program of study
